Addendum 001
Request for Bid
RFB D8X2-7004 Rotary Mowers
Issue Date: August 31, 2006

Bidders shall acknowledge receipt of Addendum 001 (one) by signing and including with the original bid. The due date for receipt of bids is unchanged by this Addendum.

Questions submitted by vendors have had the accumulated effect of requiring an amendment to ensure the information is made available to all interested vendors. **The following are amendments to the previous specifications and are requirements for the bid.**

- The driveline warranty requirement for all mower sizes has been reduced from three years to one year.
- Deck rings will not be required on any of the mower sizes; however, if the deck rings are available as optional equipment, please list the price for this option separately.
- Regarding the blade carrier dish for all mower sizes, the top lip of the dish may be no more than 7" from the bottom of the deck. Originally, the dish was to be no more than 4" from the bottom of the deck.
- For the 15' mower size, it will not be required that the mower have a manually operated auxiliary winch for each wing. The original specification required this feature. If this feature is available as optional equipment, please list the price for this option separately.
- For the 6', 7', & 8' mower sizes, the hitch braces may be welded or bolted to the deck.

The required receipt date for bids is unchanged. Bids are to be received on or before 2 p.m., local time, September 5, 2006.

The change is believed to be in the interest of all potential bidders. All other terms and conditions remain unchanged and in full force.
